Criminal Misc. Application No.212 of 2003

Hon'ble Irshad Hussain, J.

Heard Sri Sudhir Kumar learned counsel for the petitioner and learned A.G.A. for respondents.

This is a petition for quashing of the F.I.R. which is based on the complaint under section 156(3) of the Code of Criminal Procedure as well as the statement of victim Km. Lakhwinder kaur re corded under section 164 of the Code of criminal Procedure copy of which is an Annexure-8 to the petition. The F.I.R. discloses the cognizable offences and at this stage the allegation does not appear to be improbable.

Considering this I do not propose to entertain the petition and the same is dismissed.
